Introduction to :

> Department of Library Science :

Indore Professional Studies Academy (IPSA) is one of the Central India's largest educational hub-premises, playing a major role to develop Indore as Central India's most preferred educational centre, Sprawled in an area of 60 acres 3 campuses.

Department of Library Science is involved in imparting quality education in librarianship. The faculty at the institute is competent to meet the new challenges of the profession. The department plans to become an advanced study center for information studies. Department further wishes to introduce Post Graduate Diploma in Library Automation. Department is also planning to conduct summer school training for the students.

> INFLIBNET :

Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre of the University Grants Commission (UGC) of India. It is a major National Programme initiated by the UGC in 1991 with its Head Quarters at Gujarat University Campus, Ahmedabad. Initially started as a project under the IUCAA, it became an independent Inter-University Centre in 1996.

> SOUL :

Software for University Libraries (SOUL) is a state-of-the-art integrated library management software designed and developed by the INFLIBNET Centre based on requirements of college and university libraries.

The first version of software i.e. SOUL 1.0 was released during CALIBER 2000. The database of the SOUL 1.0 is designed on MS-SQL and is compatible with MS SQL Server 7.0 or higher. The latest version of the software i.e. SOUL 2.0 has been released in the 29th January 2009.

Aim of the program :

> Leveraging on the latest technology, create a virtual network of people and resources in academic institutions with an aim to provide effective and efficient access to knowledge through perseverance, innovation and collaboration.

> Provide seamless, reliable and ubiquitous access to scholarly, peer-reviewed electronic resources to the academic community in all educational institutions with a focus on services and tools, processes and practices that support its effective use and increase value of this information.

> Build and strengthen Information Communication Technology (ICT) infrastructure in educational institutions with value-added services.

> Develop resource selection guides and online tutorials for effective delivery and usage of e-resources.

Speakers :

Eminent resource persons will deliver lectures and share their experiences

Registration Fee :

The Registration Fee will cover three days Lunch and High Tea. Advance payment may be made by Demand Draft in favour of "IPS Academy, Indore" payable at Indore. The last date for registration is 5th March, 2010.
